Dear Glen

Re: Radlett Neighbourhood Plan

Further to my letter of September 2013 I am writing to advise Hertsmere Borough Council (HBC) that I understand that the plan submitted to you, as agreed initially with HBC officers, is incorrect.

There were some drafting errors which have now been picked up which need to be corrected to avoid the neighbourhood boundary for Radlett from overlapping with other neighbourhood plan boundaries (i.e. St Stephens).

In accordance with the Neighbourhood Planning Regulations 2012, a map of the revised designated area (bordered in red) is attached to enable you to formally reconsider the designation of the area that is covered by the Radlett Neighbourhood Plan.

Aldenham Parish Council (APC) understands that this will now have to be considered again by yourselves and will be subject to a further consultation period. In the meantime the Radlett Neighbourhood Plan will proceed as we hope this is just a technical glitch.

I look forward to receiving your comments soon.

Yours sincerely,

Peter Evans
Parish Council Manager
