

FOI number: **HBC_FOI_2019028**
Date FOI Received: **10/01/2019**
Department: **Other**
Title: **Automatic Number Plate Recognition cameras**
Description: **The number of Automatic Number Plate Recognition (ANPR) cameras in use, the number of hits and total of number plates scanned.**

Request: *(As Redacted sent by requestor)*

The request is specific to your local authority and regards Automatic Number Plate Recognition (ANPR) cameras.

My questions are:

1. How many ANPR cameras does your council currently operate, either in vehicles, as static cameras by the roadside, in car parks or at other locations? Please provide a breakdown of the number of static vs in-car ANPR cameras, if possible.
2. How many ANPR cameras has your council operated over the last five years (2018-2014)? Please provide a year-by-year breakdown.
3. How many 'hits' have your ANPR cameras generated over the last five years? That is to say, how many times data from an ANPR camera been used for enforcement action over the last five years? Please provide a year-by-year breakdown.
4. If possible, please tell me the total number of vehicle number plates scanned by your ANPR cameras in the last five years? Please provide a year-by-year breakdown.

Response: *(Response as Redacted sent by service)*

Hertsmere Borough Council does not have any ANPR cameras for enforcement.

If you have any queries about the processing of your request then please do not hesitate to contact me. Further information explaining the Council's process for responding to information requests together with a complaints/appeals procedure is available in our reception or via our website at:
