Request: *(As Redacted sent by requestor)*

Hi there,

Under the Freedom of Information Act, I would like to find out the following:

- The number of current 20mph limits in place in the Hertsmere Borough Council area
- The number of current 20mph zones in place in the Hertsmere Borough Council area

If there is data available for previous annual or fiscal years for both of the above data sets that would be interesting to see, dating back to up to five years.

Thank you,

Amy

Thank you for your query.

Hertfordshire is a two tier area and this service is not provided at a district level but by the County Council.

Therefore, please refer your FOI request to Hertfordshire County Council who will be able to help you.

Kind regards
