Title: **Part night lighting street maps**
Description: **Maps covering Borehamwood and Bushey showing streetlights and those turning off after midnight.**

Request: *(As Redacted sent by requestor)*

Dear Sirs/Madam,

My name is **<REDACTED>** and I am a resident in Borehamwood, Hertfordshire.

I am today writing to you to make a request for the following data, under the terms of the United Kingdom's Freedom Of Information Act 2000.

I would like the map data for those areas, specifically in the towns of Bushey and Borehamwood, where there are streetlights. More specifically, I also wish to know those that turn off after a certain time. For example, after 12am, as appears to be general practice. This shall allow me to take the data and make a comparative analysis between those that are staying on, and those that turn off.

Should this request be granted, if you could please email me the data as an attachment, at the following address, it would be greatly appreciated. The email to respond to is **<REDACTED>**.

I look forward to hearing from you soon.

Kind regards,
