Request: (As Redacted sent by requestor)

I am after information relating to fines issued for idling vehicle engines within your council. In particular, are you able to provide me with:

- 1) How many Fixed Penalty Notices or Penalty Charge Notices has your council issued to motorists who have unnecessarily left their engine idling when stationary – a violation of the The Road Vehicles (Construction and Use) Regulations 1986.
- 2) Does your council have a system in place where users can report motorists who leave their engines unnecessarily idling to the council?

Could you please provide answers to Question 1) for the following calendar years:

2017

2018

2019

2020 – up to the latest month available.

If your database works under a Fiscal Year calendar, please provide figures to the corresponding fiscal years
