I have checked your website at <https://www.hertsmere.gov.uk/Business/Business-Rates/business-rates-freedom-of-information.aspx> and note the latest data set is from October 2019. Could you please advise when your website will be refreshed with the latest business rates data

Response: (Response as Redacted sent by service)

We generally update this information every 6 months, however, due to the Covid crisis this had been delayed.

However, the information is now available on our website on the link below

Thanks
