Environmental Health are aware that the site was granted planning permission in July 2020.

As the former care home is to be demolished, the demolition of the building would be dealt with under the Building Act 1984, which is regulated by Building Control.

Any planning permission granted is enforced by Hertsmere Borough Council Planning department and the Health and Safety Executive (HSE) regulate construction sites.

Therefore any documents relating to the demolition of the building would be submitted to either of these departments..
