3. A copy of email correspondence with the Definitive Map Officer at Hertfordshire County Council is attached to this note. This email chain includes the above sections of the online map and Definitive Statement. The response from the Definitive Map Officer confirms:

"The councils online map that you are viewing is the most up to date version of the working Definitive Map (DM), the paper copies of the legal DM are nearly 7 years old. None of the

# paths you have mentioned have been changed since 1960, so both maps should match. The only difference is the lines a finer of the digital mapping."
